Graphics		
Balance Between Challenging and Impossible		
Other?		

What rating do you give this game, out of 10?

(Now, your assignment is to turn your review notes into a **paragraph review** of the video game you chose. Make sure you include the name of the game, the system you play it on, and strengths and weaknesses of the game. If you email it to me, we can post it on The Electronic Pencil as a game review – [khodgson@hr-k12.org](mailto:khodgson@hr-k12.org) )
